Liturgical Lesson

What Is Advent?

Advent begins a new liturgical year and is a season of joyful preparation for the coming of Jesus. During these four weeks, we prepare to celebrate Christ's birth at Christmas while also looking forward to His coming again. The color violet reminds us to prepare our hearts through prayer, hope, and reflection.

PE Spotlight

This year all students set fitness goals. Each week they work hard to meet their Presidential or National fitness goals. Students in grades 3-8 have one day for endurance and cardio stations and their second day is a team sports day. Team sports include building foundational skills in flee and chase games and relays, basketball, volleyball, as well as focusing on building strong sportsmanship morals. 'Work out days' consist of body weight exercises to improve and strengthen students overall physical strength. Something that each class focuses on is, we are a team. Each class enters the gym and becomes more than just a class but a unit that works together to accomplish their goals! Students cheer on their team, give high fives, and improve each week.

Santa's Workshop
DONATIONS NEEDED

We need donations of new or gently used items for our Santa's Workshop. Each child will attend with their class on this day. NO MONEY NEEDED!

This year it will be held on
Monday, December 14th

Step into the magic of Santa's Workshop! This special holiday event gives students the joy of "shopping" for free gifts for their immediate family members. Our workshop is stocked with a variety of thoughtful presents, all lovingly donated and ready to be wrapped with care. With a little help from our volunteer elves, each child can choose something special for the people they love most—bringing the true spirit of giving to life.
It's a wonderful way for students to experience the joy of generosity and celebrate the season of kindness!

Bring your donations to the school office between now and December 9th.

- We always are in extra need of dad gifts and tween/teen brother and sister gifts.
