

Baptismal Registration Form

Queen of Angels and St. Joseph Parishes

We exist as parish communities to carry out the work and mission of Jesus Christ. The Christian community (parish) to which individual families belong has a responsibility toward children baptized in the Church. By giving witness to the Gospel, practicing stewardship, and actively celebrating the mysteries of Christ, the Christian community is an important school of Christian and liturgical formation for those who live in it.

Please read the following information and respond to the questions.

Since you are seeking baptism for your child in one of our parish communities, it is necessary that you currently be an active parishioner and that you continue to be an active member. Along with you, as parents, we as a parish community share in the responsibility of the faith formation of your child. We cannot fulfill that obligation if you are not an active member of our parish community.

A parishioner is someone who participates regularly (weekly) in the most important aspect of our parish life, namely our Sunday and Holyday liturgies. Our celebration of the Eucharist is truly the central event that binds our parish together. Participation in this sacrament forms the very cornerstone of active membership within this community.

Do you currently celebrate the liturgy regularly (weekly) with the worshipping community? ___ No ___ Yes
At which parish and at which Mass (time) do you regularly attend? _____

A parishioner is someone who involves him/herself in the life and activity of the parish insofar as his/her time and conditions allow - giving back to God a portion of the gifts of time and talent he has given to us. This second condition for membership flows out of the first. To be involved in your parish means to join whole-heartedly in the work that the parish has set out to accomplish.

Are you actively involved in the life and activity of the parish community? ___ No ___ Yes
If so, how are you involved? _____

A parishioner is someone who realizes the need to be a financially contributing member of his/her parish. Our parishes are committed to the Sacrificial Giving Program - giving back to God a portion of the financial gifts He has given to us. Each parish family has been asked to fill out a Sacrificial Giving card and participate through their weekly Sunday envelope. To be considered a full member of a parish, one must also participate in our Sacrificial Giving program. Your willingness to support the work of the parish is far more important than the amount given.

Do you currently have a Sacrificial Giving card on file at the parish office? ___ No ___ Yes
