# SPOTLIGHT ON: Mr. Hanson

We have been blessed to have Mr. Hanson here at Queen of Angels doing his student teaching with Mrs. Hays this school year.

Mr. Hanson enjoys watching sports, and reading about history, science and sports. Someday he'd like to travel to Portugal and Spain. We are looking forward to Mr. Hanson completing the school year with us as a long-term sub for Mrs. Hays.

# 2024-2025 Updates and Info

---

## School Bus 2024-2025

We will be offering a school bus service for the next school year! The focus will be on students traveling west from as far as the Sequim area and then from the west side of Port Angeles. If you are interested in bus service for next school year, please complete the following survey by clicking this [link](#).

## Staffing Update

Mr. David Hanson will be taking over for Mrs. Jean Hays for the remainder of the school year beginning next week. Mrs. Hays has been with QofA for over 20 years. Due to recent family medical and life events, she is needed close to home. We will keep Mrs. Hays and her entire family in our prayers. She will be in close contact with the school and be a strong support for Mr. Hanson.

Mrs. Meghan Hall and her beautiful family will be moving to the east coast at the end of this school year. We have been blessed by her time with us here at Queen of Angels. She quickly captured the hearts of families and students and will be deeply missed. Her husband, Wes, received transfer orders for an exciting new job opportunity and we wish the entire family all the best as they make their way across the country this summer.

Mrs. Emily Huget will also be moving on for next school year. We have shared many wonderful moments with Mrs. Huget and wish her well as she works closer to home and family.

All job listings are posted through the Archdiocese of Seattle. Applicants will go through an initial interview, and some will be invited back for a second-round teaching observation. If any parent is interested in being part of the interview committee, please contact the school office at 360-457-6903.
