**Carmelite Corner of the Olympics**

**Holy example of the Month**

**Venerable Mariangela Virgili** was born in 1662 in Ronciglione Italy, to such impoverished parents that she wasn't permitted to become a cloistered Carmelite nun. Her father encouraged her to instead become "a nun at home." While dedicated to her household tasks and work in the fields, she professed as a **Third Order Carmelite**. She became deeply involved in her hometown and helped rescue many young girls from lives of prostitution. She took personal care of the sick and poor and enlisted others to do the same. She is

remembered today, because, for her, religion was not a private thing between God and herself. People flocked to her asking for prayer and advice (even priests sought out her counsel) because she lived her faith with such authenticity.

**Words of wisdom** "Why did God create heaven and earth if not for me? And why did he create it for me? Because of his infinite love and so that I could enjoy him forever in Heaven."

— Venerable Mariangela Virgili, T.O.Carm

The Whole-Life Confession Program: A Transformative Encounter | *from the desk of Fr. Ed*

Why not make this Lent the best of your life? With a little effort and a lot of grace, you can receive abundant happiness through this simple process developed by Fr Bill Watson, SJ and based on the exercises of St. Ignatius of Loyola. To quote Fr Watson's Sacred Story Institute website:

Modeled on the practice of a life confession St. Ignatius made early in his conversion, The Whole-Life Confession is a step-by-step four-week process with spiritual exercises for each day. It culminates in the grace-filled experience of the Sacrament of Reconciliation. The Whole-Life Confession is a very dynamic and holistic method that helps you to integrate your spiritual, intellectual, and psychological/emotional history.

Those who have completed it have been amazed how it allowed them to "see their whole life" as if for the first time. Done any time of year, individually or with a faith community, your life will be changed by learning how to bring your entire life's history, your story, to Christ in this intensely holistic, deeply personal and healing method of Reconciliation.

WLC will foster a deep, personal encounter with Christ that is life-changing by encouraging and teaching people to pray daily using the Ignatian Examen.

WLC will encourage readers to receive Reconciliation frequently and will enable them to lead others to Christ in a reconciling encounter that is both personal and transformative.

Ultimately, WLC will help readers share their faith testimony in witness to the Gospel.

Sign up today by contacting the St. Anne parish office at: 360-374-9184. All are welcome across our parish family to participate as a personal study. A small group will be available in Forks beginning with an information night Tuesday, March 11th at 7pm. Books available on a first come first serve basis through the office or available via Amazon.
