

QUEEN OF ANGELS SCHOOL NEWSLETTER

April 15, 2026

As spring continues, we see renewed energy and enthusiasm throughout our school community. This week, students are reminded of the importance of finishing strong, staying focused, and supporting one another. Our faith calls us to live with joy and gratitude, and we are grateful for the many ways our students demonstrate kindness and respect each day.

Nurse Notes

When your kiddo gets hurt should "ice it" or not?

- The best scenario for icing:
- Immediately after a minor acute injury
 - When swelling is significant
 - When short-term pain relief is needed
 - Within the first 6-12 hours
- For short applications: 10-15 minutes with breaks
