

QUEEN OF ANGELS SCHOOL NEWSLETTER

April 22, 2026

For the 26-27 school year the base rate of tuition will be increasing by 6% for all families. Multi-child discounts will remain in place at the current level for all existing families. This Friday, a letter to families explaining tuition forecasts for upcoming school years will be coming home. Included in the letter will be a summary of a tuition analysis report given to the parish finance councils and the School Commission. Tuition agreement forms will be sent home to families by May 15th. Teacher instructional placements will also be communicated at that time.

Mrs. Kimball
