What will we do with the money we earn from the golf tournament?

First, we need to fund the tournament! With what's left, we will divide it two ways keeping some for future alumni events and donating what remains to Tuition Angels.

Tuition Angels is a program that helps give financial assistance to families in need!

Did you know any school family can apply for funds from Tuition Angels? Each family was given an application form in their registration packet!

We're looking forward to this fun new event and hope you and all of the golfers you know are planning to join us!
