

# QUEEN OF ANGELS SCHOOL NEWSLETTER

**May 27, 2026**

We are pleased to officially announce Mrs. Priscilla (Milasich) Maloney as Queen of Angels School's new Assistant Principal beginning with the 2026–2027 school year.

Mrs. Maloney brings with her a deep love for Catholic education, a strong instructional background, and a lifelong connection to Catholic schools. A graduate of St. Charles Borromeo School and Bellarmine Preparatory High School in Tacoma, Washington, she spent 13 years as a student in Catholic education and has continued that commitment throughout her professional career. Her experience includes teaching and leadership roles in Catholic, Jesuit, international, and Archdiocesan schools both locally and abroad.

Over the past year, school leadership has prayerfully evaluated the growing needs of our school community, including student support services, instructional leadership, accreditation, and the continued growth of our Preschool–8th grade programs. The addition of an Assistant Principal position has been part of long-range planning since last summer and reflects our commitment to proactively supporting the future of Queen of Angels School. We extend sincere gratitude to Father Maurer and the Parish Finance Council for their support, collaboration, and shared vision in making this addition possible. Through careful planning and stewardship, this staffing addition was addressed separately from the school's current tuition and operating budget adjustments for the coming school year.

Mrs. Maloney will assist in supporting student services, instructional leadership, daily school operations, family communication, athletics and continued growth initiatives across the school community. We are excited for our students, staff, and families to benefit from her leadership, faith-filled presence, and dedication to helping every child grow academically, socially, and spiritually.

Please join us in warmly welcoming Mrs. Maloney to this new role within the Queen of Angels community.

 Mrs. Ceci Kimball

What will we do with the money we earn from the golf tournament?

First, we need to fund the tournament! With what's left, we will divide it two ways keeping some for future alumni events and donating what remains to Tuition Angels.

Tuition Angels is a program that helps give financial assistance to families in need!

Did you know any school family can apply for funds from Tuition Angels? Each family was given an application form in their registration packet!

We're looking forward to this fun new event and hope you and all of the golfers you know are planning to join us!
