

# QUEEN OF ANGELS SCHOOL NEWSLETTER

**June 3, 2026**

As we enter the final weeks of the school year, we celebrate the many milestones, accomplishments, and memories that have made this year so special. From academic growth and faith formation to service projects, performances, athletic competitions, and everyday moments of learning, our students have much to be proud of. We encourage each child to take time to reflect on how they have grown this year—academically, spiritually, socially, and personally—and to finish the year with confidence, gratitude, and a commitment to doing their very best.

As families begin looking ahead to summer, more information regarding the 2026–2027 school year will be coming home soon, including any updates to instructional placements, supply lists, and important dates. Because classes will begin after Labor Day, this summer may feel like an especially long summer break. While we hope this extra time offers opportunities for rest, travel, family connection, and outdoor adventures, we will also be encouraging students to continue reading regularly, practice foundational math skills, and stay engaged in activities that foster curiosity and learning by sending home summer reading lists and suggestions for activities. All returning students will have access to school online programs over the summer using their student log in credentials.

Thank you for your continued partnership, support, and trust throughout this centennial year. It has been a blessing to witness the growth of our students and school community. We look forward to celebrating the exciting events that remain this spring and to welcoming everyone back in September for another wonderful year at Queen of Angels School.

 Mrs. Ceci Kimball

## Thank YOU

A heartfelt thank you to all of our amazing Field Day volunteers! Your time, energy, enthusiasm, and willingness to help made the day a tremendous success for our students. From setting up events and cheering on participants to keeping everything running smoothly, your contributions created a fun and memorable experience for everyone involved.

A very special thank you goes to Maria Gray for her incredible organization and leadership. Field Day is no small undertaking, and Maria's careful planning, coordination, and dedication brought all the pieces together seamlessly. Her hard work behind the scenes ensured a fantastic day for our students, staff, and volunteers.

We are so grateful for everyone who helped make Field Day such a wonderful event. Thank you for supporting our school community and helping create lasting memories for our children!

## Chipotle Takeover Success

Thank you to everyone who dined at Chipotle during our takeover fundraiser last week!

Thanks to your support, we raised **\$754.55** for our school. It was wonderful to see so many school families and parish members come together to support our students while enjoying a meal together. Events like these remind us what a strong and caring community we have.

On behalf of the PTO, thank you for your generosity, participation, and continued support.

We appreciate YOU!

## Yearbooks

We ordered extra yearbooks!  
You can reserve a copy for your student/s for \$20 in the school office.

## Spotlight on Alumni

Queen of Angels is celebrating our 100th year with a reunion weekend! We are inviting all past alums to come to the school for a special celebration where they can see the school and some photos and artifacts from their time at the school.

We need the help of some current parents to help us make this event run as smoothly as possible!

We need help with:

- Thursday, June 25 - Set up at the school
- Saturday, June 27 - Greeter for the Alumni Open House
- Sunday, June 28 - Help set up, serve at, and take down the alumni picnic

Because it is the summer time, you get DOUBLE the volunteer hours! What a great way to get a head start for next school year's hours!

Please choose a way to help at this link:

## Volunteers Needed

**July 25-26**  
**September 12-13**

Please use the link to sign up to volunteer!

This sign up needs to be full in order for us to commit to this PTO fundraiser!

Thank you for your help!
