Dear Queen of Angels Families,

Welcome back! As we begin another school year together, I want to share how genuinely grateful I am for each of you and for the trust you place in Queen of Angels. There is something so special about seeing familiar faces return, welcoming new families, and watching our school come back to life.

I am especially grateful for our wonderful faculty and staff, who have been working diligently to prepare classrooms, plan for learning, and thoughtfully welcome your children. So much happens behind the scenes before the first day of school, and I am incredibly thankful for the care, energy, and commitment they have already poured into this year.

Our theme for 2026–27 is Known, Loved, and Served. These three simple words capture what I hope every child and family experiences at Queen of Angels: to be known and valued as an individual, loved as a child of God, and both served by and called to serve within our faith-filled community.

That sense of community is one of the things I treasure most about Queen of Angels. Thank you for the many ways you contribute—supporting our teachers, encouraging your children, volunteering, praying for our school, and simply showing up for one another.

I also want to share that our tuition platform is ready to launch. Families should begin seeing invoices, as well as payments already made, reflected in the Parent Portal. Thank you for your patience as we prepared the system for the new school year.

A Few Important Reminders

Uniforms & Hair: Please review our uniform expectations with your child. Student hair must appear natural in color; bleached, or other intentionally contrasting/non-natural coloring will need to be addressed. We appreciate families taking care of any needed adjustments before our school Mass on Friday. Please call the office if this timeline is not able to be met.

Family Handbook & Calendar: The updated 2026–27 Family Handbook and Year-at-a-Glance Calendar are now available on our school website.

May this be a year in which every member of our Queen of Angels community knows deeply that they are known, loved, and served—and the learning, celebrations, challenges, growth, prayer, laughter, and ordinary moments that become the memories of a school year.

Warmly,

Principal Ceci Kimball
