Liturgical Lesson

What Are Sacramentals?

Sacramentals are sacred signs and objects that help turn our hearts and minds toward God. Holy water, crucifixes, rosaries, blessed medals, and the Sign of the Cross are familiar examples. Unlike the seven Sacraments, sacramentals do not give grace in the same way, but they help prepare us to receive grace and live our faith each day.

Fundraisers

Papa Murphy's
Takeover
October 21 – **TODAY!**

Get some to freeze too!

Hot Lunch

October 23
Our make-up hot lunch will

4TH

Classroom Spotlight

The fourth grade students have been showing kindness and demonstrating perseverance as they put forth their best efforts throughout each school day. We are continuing to grow spiritually as we practice Catechism and learn about Saints and ways in which we can incorporate their beliefs and actions into our own daily lives.

We will continue to learn about influential leaders and civil rights activists. We have also been learning about American Indians and Washington's first inhabitants and will continue to do so throughout the year.

The students have been responsible for filling out and turning in read at home assignments each week. They have also been reading and acting out plays in class.

The students have been practicing place value, rounding, mathematical expressions, estimating and problem solving. We will soon be moving onto multistep story problems.

We are excited for our upcoming field trip. We will be visiting The Fine Arts Center where we will learn about paper and paste art. This will also be a wonderful opportunity for students to experience a fun filled time in nature's natural beauty. This experience will also be an inspiration for our current writing assignment, "the change of seasons."

Principal Post

As we move further into the school year, many of the routines established during those first weeks are becoming part of the everyday rhythm of our classrooms. One resource supporting that work this year is *Friendzy*. *Friendzy* provides teachers with practical classroom management strategies while helping students develop skills such as communication, self-regulation, friendship, conflict resolution, and responsible decision-making—all grounded in Scripture and our Catholic understanding of how we are called to treat one another. These lessons and strategies support our goal of creating classrooms where students can learn well because they feel safe, connected, and known. Our first lesson title, *We Need Each Other*, will be a common theme and email closing for staff.

Students will also participate in Circle of Grace lessons as part of our Safe Environment curriculum. Circle of Grace helps children understand that each person is created and loved by God and deserves to be treated with dignity and respect. Age-appropriate lessons help students recognize healthy boundaries, identify safe and unsafe situations, understand trusted adults, and know when and how to ask for help. This is an important part of our commitment to caring for the whole child and partnering with families in keeping our students safe.

Finally, progress reports for grades 5–8 were sent home Friday, October 16, providing families with an important opportunity to check in on academic progress. Students and families also have ongoing access to gradebooks to review current grades and assignments. If you see something that concerns you—or simply have questions about your child's progress—I strongly encourage you to connect directly with the classroom or content-area teacher. Email is a wonderful place to begin, but sometimes an in-person conversation is the best way to understand what a student is experiencing and develop a plan together. Please don't feel that you need to wait for a formal conference to request a meeting. Teachers want to partner with you.

K–4 Progress reports will go home Friday, October 30th. All families have access to students grades in the ALMA Parent Portal.

Thank you for continuing to work alongside us as we strive to create a school where our students are safe, supported, challenged, and truly known, loved, and served.

With gratitude,
Ceci Kimball - Principal

THIS IS OUR MAKE-UP HOT LUNCH FROM 9/30/26

No costumes, no masks, no ripped/holey jeans. All free
dress clothing must be appropriate for Mass⁺

Queen of Angels School students are partnering with Saint Francis Guild to participate in a program called Box of Joy through Cross Catholic Outreach.

Every year, impoverished children experience a Christmas with no gifts. The gifts we provide through this program will spark Christmas joy in both the gift giver and the recipient.

Students will work together to collect items to fill a shoebox that can be gifted to children in need. We are asking for donations of items to put in the boxes. Each classroom has two shoeboxes to fill for a child their same age. Below are some ideas of things that would be great donations. Please keep in mind the size of the box as you shop.

Your child can bring donated items to the box in their classroom.

SMALL TOYS

Handheld Toys
Small Plush Animals *
Small balls (tennis, etc.)
Ball (deflated) with pump
Cars or Trucks
Doll *
Mini Puzzle
Finger Puppets
